WORK BOND PLANS ARE UNDER WAY

Citizens' Committee Meets Tomorrow Night Here

The Relief Bonds Citizens' Committee will meet in the supervisorial chambers here tomorrow night at 7:30 to discuss and make recommendations to the board of supervisors as to the projects for which, and the manner in which, the proposed $350,000 issue would be expended.

The bonds will be up for approval at the general election, November 8.

The functions of the committee are:

(1). To have full cognizance of the purposes of the bond issue for unemployment relief.

(2). To meet, discuss and make recommendation to the board of supervisors as to the projects for which, and the manner in which, the funds made available for unemployment relief are to be allotted, controlled and expended.

(3). To inform the citizens and voters of San Mateo county of the necessity for these funds, how they are to be expended and to the extent to which the relief of the needy unemployed in the county is to be accomplished.

(4). If and when the funds are made available by passage of the bond issue, then, subject to the approval of the board of supervisors, to have supervision over the organization and administration of the relief work undertaken by means of these funds and over the expenditure of the funds made available for this purpose.

Members include:

Atherton—C. Brandsten, J. B. Howell, Mrs. Leslie Moore, C. R. Walter, Mrs. C. R. Walter.

Menlo Park—The Rev. W. L. Bone, L. E. Harris, Father Kennedy, the Rev. E. E. Smith, Mrs. F. R. Stowe, J. H. Sullivan, George Walsh.

Ravenswood District—Mrs. Mona Christensen.

Redwood City—Henry Beeger, the Rev. Father Cavanagh, Thomas Cutting, C. M. Doxsee, J. D. Hedge, H. E. Holmquist, Gilbert DeHaven, W. W. Hendricks, J. Isaac, C. G. Lambert, Dr. W. B. Langston, Mrs. E. L. Kilbourne, Stephen Kreiss, Dennis O'Keefe, the Rev. Norman Pendleton, Daniel Stafford, C. B. Stoner, Z. T. Thorning, George S. Whitehead, Sam H. Winklebleck, Henry Witte.

Woodside—Roy Bishop, Paul B. Fay, Stanley G. Harris, Ed. T. Harrison, Miss Marjorie G. Josselyn, S. Pond, Matt Harris.

San Carlos—E. R. Burton, H. B. Cook Jr., J. E. Cowgill, J. E. Rutherdale, Claude S. Sorensen, Father Harold Crampton.

The San Mateo County Council of the American Legion has added its endorsement to the relief bonds, John Vogt Jr., acting adjutant, reported today.

MENLO GUILD ART PRAISED

Peninsula art lovers who have visited the Allied Arts Guild at Menlo Park are enthusiastic over the latest work of Miss Maxine Albro, San Francisco artist who has just completed 'The Hands of the Potter," a three-panel fresco that sweeps powerfully across a rear wall of El Patio de Alfareria (The Court of the Potters).

While reflecting the strong Mexican influence which has characterized Miss Albro's work, this great new fresco is a worthy companion to the others, "The Holy Family," "Tubal Cain" and "California," which enrich the Spanish architecture of the Allied Arts Giuld.

Miss Albro's most notable work appears on the walls of Colonel Harold L. Mack's Spanish hacienda at Carmel and at the Guild.

Many art lovers from San Carlos and Belmont were recent visitors at the Guild which is open to the public every week day from 9 a. m. to 5 p. m.

Farm Leader Backs Tubbs for Senator

T. C. Tucker, an active leader in the California almond industry today announced that he will vote for Tallant Tubbs, Republican candidate for United States senator. Basing his decision on more than 22 years' experience in marketing almonds and in agricultural co-operative work, Tucker said that the farmers would measure all candidates for political office by their stand on the protective tariff.

Young Praises Charter Plan At Mass Meeting

Necessity for a new state constitution and need for a new form of government in San Mateo county were emphasized by former Governor C. C. Young and James B. Howell, chairman of the San Mateo County Board of Freeholders, in addresses Monday night before 500 citizens in the Burlingame High School.

Former Governor Young, whose topic was the 20 proposed amendments to the state constitution which will be before the voters November 8, pointed out the limitation of authority granted to the legislature resulting in little or no flexibility of administration of state affairs.

"On account of the fact that the state constitution was written in the '70's," Young said, "it does not fit in with actual needs of our state today."

Young said the time was ripe to arrange for the writing of a new constitution to bring about the obvious reforms which should be made.

Chairman Howell, whose address followed the former governor's, pointed out that San Mateo county, together with 51 other California counties, was operating under an "archaic, cumbersome and obsolete form of government created years ago when the county's problems were not similar to those of today."

Young praised the county's steps in bringing about governmental reform and for taking the leadership in this important move.

The talks were scheduled for the Burlingame Women's Club, but so large was the attendance that it was necessary to change the meeting place to the Burlingame High School.

Mrs. Josephine Bigler, chairman of the civic section of the women's club, presided and introduced the speakers.

PANTHER 11 WILL OFFER NEW ATTACK

Undamaged by further injuries with the exception of a "charley horse" that is bothering Halfback Charlie Preston, the Sequoia varsity football squad was at its full strength for practice this week preparatory to the opening Peninsula Athletic League battle at Burlingame this afternoon, when the co-holders of the 1931 championship meet to decide which team will survive to face a strong challenge from Palo Alto.

Coaches Leonard Casanova and Al Terremere were satisfied with the performance of the Cherokees in the second half against Lodi Friday night, when they marched down the field three times and managed to convert one of the thrusts into the tying touchdown at 14 to 14.

However, there was a laxity during the second period that permitted Lodi to score, and efforts to remedy this defensive flaw as well as to strengthen their offensive threat will be on the Cherokees' work program this week.

Councilmen of Atherton Vote Charter Boost

ATHERTON, Oct. 10.—Calling the proposed county charter "an important document, vital to the future governmental administration of the county," the city council has just adopted a resolution commending the freeholders for their work.

"We appreciate," say the councilmen, "the untiring and efficient service rendered by your board."

The councilmen of Atherton are J. A. Donohoe, mayor; E. L. Eyre, J. B. Howell, C. H. Merrill and C. R. Walter.

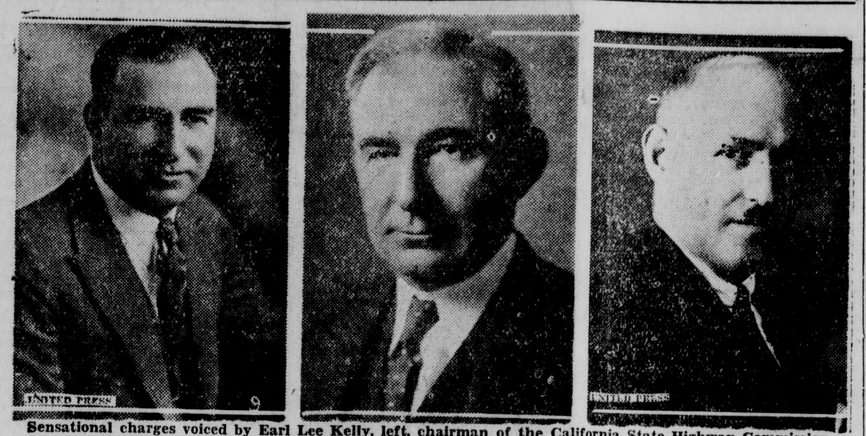
OIL PROJECT AT LA HONDA

The Tichenor ranch near La Honda, was leased this week to a large Los Angeles oil concern that will begin development of the property for oil early next week. The company expects to expend $100,000 in its work and will employ a big crew of men to drift wells.

The ranch consists of several hundred acres and it is said to be in the oil belt. Every indication for oil strata is seen on the property. Geologists, who made an examination of the land, declare the prospects for the development of a gusher are excellent.

The acreage has been in the possession of the Tichenor family for a half century.

CALIFORNIA OFFICIALS REMOVED IN CABINET ROW



Sensational charges voiced by Earl Lee Kelly, left, chairman of the California State Highway Commission, against two officials of the Department of Public Works, led Gov. James Rolph jr to oust Col. Walter E. Garrison, center, director of the department, and James I. Herz, right, deputy director. Kelly accused the officials of incompetence. Rolph appointed Albert L. Banks of Stockton to act as temporary director until he selects a permanent successor to Garrison.

CORPS FLAG TRIBUTE TO MRS. KEARSE

The late Mrs. John Kearse was an earnest worker for Mount Carmel convent. From its beginning in the eighties Mrs. Kearse constantly labored for the institution. She collected funds in the days when money was needed to conduct the school. Mrs. Kearse never ceased in her efforts on behalf of the convent she loved and revered.

In the parlor of the old building on Brewster street, that was recently razed, there hung on the wall a picture of Mrs. Kearse, put there as a mark of appreciation for all that the old lady had done for the convent. The picture will have a similar place in the new school.

It was therefore fitting that Mrs. A. T. Carolla, a granddaughter of Mrs. Kearse, should present the General George S. Evans' Relief Corps flag to the school.

Fitting Address

Following is a portion of the address of the young woman:

"The purpose of every patriotic society is to foster a love for country in the hearts of the young, and to properly and effectively teach respect for the lawfully established authority of the country, and for its symbol, the national flag. General George S. Evans Corps, No. 36, W. R. C. of Redwood City is today doing its share towards accomplishing the purpose I have mentioned by the ceremony which is about to take place.

"Years ago, when the Reverend John J. Sullivan of sainted memory was pastor of Mt. Carmel Church and director of Notre Dame Academy, and when I was but four years of age, it was my happy lot and cherished privilege to have raised the flag provided by the relief corps over the old academy building, now only a memory.

Gave Generous Aid

"My revered grandmother, Mrs. John Kearse had made possible first the establishment and later, after the disaster of 1906, the reopening of the academy, and to please her the honor of raising the flag was given to me.

"Grandmother Kearse has gone to her reward, and I, now a member of the relief corps, have been assigned again to the pleasant task of presenting and raising the flag of honor and glory above this beautiful new school so well fitted by its capacity and completeness to the needs of our growing parish, and which is an evidence of the solicitude of our beloved pastor, Father Savanagh, for the welfare of the children of his parish.

"It now becomes my pleasant duty to present to Notre Dame Academy this glorious banner of freedom, our loved Stars and Stripes, the gift of General George S. Evans Corps No. 36 W. R. C. of Redwood City in memory of my grandmother, and Notre Dame Academy's true friend, Mrs. John Kearse.

Mother of Seven in Divorce Plea Here

Alleging cruelty, Mrs. Belle Lowe today has on file in Redwood City a complaint for divorce against Irby Lowe, to whom she was married in San Rafael, October 7, 1907. The couple separated September 2, last, ending a 24-year period of marriage.

The Lowes are parents of seven children, as follows: Alfred, 24; Dorothy, 21; Donald, 19; Gerald, 17; Irby Jr., 15; Richard, 8, and Jack, 5.

Kincaid & Fitzpatrick of this city represent the plaintiff.

BUCK OPENS FINAL DRIVE OF CAMPAIGN

Endorsed by outstanding members of California's Bench and Bar for his able judicial record, Superior Judge George H. Buck, Department No. 1, this week completed plans for his campaign for re-election.

Having won renomination at the last primary election Judge Buck will seek re-election on his record as a veteran judge who has handled more litigation cases than any other four California superior judges, and who has been highly commended for his judicial ability by the California Judicial Council, headed by Chief Justice William H. Waste.

Judge Buck has served San Mateo county for forty-two years, and has gained a state-wide reputation for fearless administration of justice.

AUTO KILLS MENLO PARK CAFE OWNER

One man was killed and two others severely injured when two automobiles and a truck collided on the Bayshore highway 200 feet north of Chestnut street, this city, between 7:30 and 8 o'clock Sunday night.

Charles B. O'Day, 28, of 830 Menlo avenue, Menlo Park, a restaurant owner, was killed outright in the impact.

Sylvestion Wyka, 34, an employe of the United States Veterans' Hospital, North Palo Alto, suffered a possible fracture of the skull.

Boyett Matsler, 32, also of the veterans' hospital, suffered an injury to his left eye, which, however, is not expected to be serious.

O'Day, with Wyka and Matsler, was driving south on the highway and attempted to pass the car of William Morris, 49, of Willow road, which was pulling a truck being steered by Edward Morris, 12, his son.

In some manner, the O'Day car and the two other vehicles became entangled. O'Day's car was overturned.

Morris and his son escaped injury.

O'Day was dead on arrival of Redwood City and state officers.

Ambulances removed the injured to the Community hospital, while the body of O'Day was taken to the Layng & Tinney chapel by Sam Cornfoot, a passing motorist, of San Francisco.

Abalone Law Is Adopted by Co.

An ordinance prohibiting the diving for abalones as practiced by Japanese fishermen on the coastside was passed by the board of supervisors in session Monday afternoon in the courthouse here.

The ordinance is designed to limit the commercial catch of abalones so that the sport may be preserved for private fishermen.

An additional laboratory assistant at the Community Hospital, San Mateo, was provided when the board passed a resolution transferring $675 from the unbudgetted to the hospital fund for this purpose.

TIMES-GAZETTE ASKED TO FIND LOST BROTHER

The Times-Gazette has been asked to print the following message for one Fred Rummel, described as being partially disabled: Will Mr. Rummel please write to his sister, Mrs. Lillian J. Murphy, of 427 20th avenue, San Francisco.

R. C. HARBOR RE-HEARING DUE IN NOV.

Directors of the Redwood City Chamber of Commerce have been notified by Carl Stoner, chairman of the San Mateo county harbor committee, that progress is being made relative to a re-hearing of the local deep water project by government engineers.

Lieutenant-Colonel H. A. Finch, district engineer of San Francisco, has informed Manager Howard I. Wood of the chamber of commerce that the office of the chief of engineers at Washington has returned to the district engineer the original report on the proposed improvements of Redwood harbor, with instructions to hold another hearing and prepare a report covering the situation as it exists today.

It was suggested that the hearing be held in November. A definite date will be chosen agreeable to the county harbor committee and Lieutenant-Colonel Finch.

Meanwhile, the county committee is studying the matter of a proposed port district.

Endorse Highway Plan

The chamber of commerce directors have endorsed the plan of the two major automobile associations of California for transferring 6,624 miles of important county roads and through routes in cities to the state highway system as secondary state highways.

Support has also been voted to proposition number 14 on the November ballot, which continues in effect a present law dealing with local ship tax exemptions until January 1, 1955.

New Treasurer

On account of the resignation of Carl Wagner, who has been assigned to duties in San Francisco, the chamber directors have chosen Mr. Wagner's successor, J. S. Morrish, as treasurer of the organization to fill the unexpired term.

Opposition to proposition number 3 on the November ballot, regarding the foreclosure of mortgages and trust deeds, was voted.

Manager Wood reported that inquiries continue to come into his office for details of Redwood City's home trading campaign. The directors commended the local merchants for their efforts.

CARRINGTON TO GIVE NEW OPERETTA SOON

"Love Pirates of Hawaii," an operetta by Otis Carrington, instructor at Sequoia Union high school, will be presented November 5, by the choral classes in Sequoia's auditorium.

Saxon Downs and Eleanor Woodcock will play the leading roles with a supporting cast composed of Lorraine Bullivant, Hugo Endrigo, Joel Mansfield and Lorraine Read.

Members of the play production class under the direction of Claude van Patten are making the set, which will be in a seminary garden in Hawaii.

STUDENTS CELEBRATE ANNUAL "PEP" WEEK

To promote good sportsmanship in athletics, Sequoia Union high school has observed Pep Week this week. This is an annual custom, always held the week before the opening of the Peninsula Athletic League to arouse enthusiasm and to encourage good team work from the rooters as well as the teams.

SURFACING OF STREET AUTHORIZED

Appropriation for Work Approved in Menlo Park

Only routine business was transacted at the regular meeting of the city council, held Tuesday evening last. Hart and Anderson were absent.

A communication was read from Alma E. Cain, a resident of San Mateo drive, who complained that the street was in poor condition and instead of the council beautifying triangles and squares at street intersections, as she was told, by the unemployed of the town, the chuck holes might be filled and the street scraped and thus the unemployed would be properly taken care of. The letter was ordered filed.

Chief Love reported that hay, farming machinery and debris about the Hara home had been partly removed and that the place had a much better appearance. The matter of declaring the residence a nuisance was continued until the next meeting. This was the time set for Hara to appear and show cause why the city should not remove the waste matter about the dwelling causing a fire hazard.

The shoulder on Oak Grove avenue from Laurel avenue to the city limits at the O'Kane property is to be rocked and oiled and the center of the street to the curve line is to be resurfaced with an inch and a half building material known as premix. The council appropriated the sum of $500 for the improvement. This is to be expended for material only as Supervisor J. W. Poole is to do the work. He is to complete the entire street on both sides. The White estate and the Church of the Nativity property is in the county limits, the Middlemas estate and a portion of the Donohoe lands across the street are in the Atherton city limits. Poole is prepared to do the work at once, charging the cost to the two municipalities and paying the county share out of his district funds. The street is sadly in need of the contemplated improvement and Poole is more than generous in aiding in the matter.

The sum of $155.40 was set aside by the council to be used by the superintendent of streets to clean the culverts, storage drains and for patching to be done on streets in the municipality.

A communication was read from J. J. Jordan of the Southern Pacific Company, asserting that the repairs at the approaches on Encinal and Glenwood avenues had been finished but some resurfacing was needed at the approach of Glenwood that was a city responsibility. On the west side crossing of Encinal there was an obstruction caused by branches of a tree that should be removed. Jordan urged that these be removed. The tree was on private property. The owner should be requested by the council to remove the branches and thus help to prevent casualties.

Water Board to Call Bond Vote

BELMONT, Oct. 14.—The Belmont county water district board this week made plans to call a bond election in the sum of $45,000 to provide the town with an adequate system.

Waldo J. Marra, chairman of the special committee which was delegated to sound public sentiment, said that questionnaires sent out to consumers had brought back indications favoring the bonds.

On motion of Commissioner Errett Sackett, the committee's findings were accepted. D. St. George moved the election be called and the motion was carried unanimously.

The report of Vernon P. Irvin, auditor, showed the water district is being operated at a profit.

Exchangites Hear Hoover Commended

President Hoover's efforts to relieve the nation's distress in one of its most trying periods were commended by Robert Littler in a talk at the Redwood City Exchange Club dinner in Hotel Sequoia last night.

Mr. Littler is a well known attorney who resides here, and is a Republican campaign speaker of note.

The speaker praised Gov. Roosevelt's good points, but assailed what he described as his "intellectual dishonesty."

Wesley Locker was chairman of the meeting.

Relief Need in Menlo Park Is Seen as Urgent

With the number of Menlo Park persons seeking unemployment relief increasing steadily, the community will pass the "danger line"—the point at which more than 10 per cent of the population must be maintained by the remaining 90 per cent or less—during the coming winter.

That was the opinion expressed by the Rev. Ralph Smith, rector of Trinity Church, at a meeting of Trinity Church Guild at the home of Mrs. Thomas B. Esty. Mr. Smith, who was trained in Chicago as a social worker, told his audience that experience had shown conditions to be serious when demands for charity exceeded this point.

The speaker estimated that approximately 343 persons are now being helped or have applied for aid out of a population of 4,000. His experience indicated, he said, that the number of those now on the borderline of need who would apply for help during the winter would bring the total to more than 700 cases.

In this emergency, he urged cooperation of all possible relief agencies with the central committee. "Individual effort should cease," he said, "and all political influence be eliminated from the direction of the relief program."

He also referred to criticisms which have been levelled against some of those administering relief, saying that in his own training the two requisites most emphasized were love of humanity and unfailing kindness.

The guild will meet again Tuesday, October 18, at 2 p.m. at the home of Mrs. J. Leroy Nickel. A business session will be followed by a talk by Mrs. Neal T. Childs of Atherton.

WILD CHASE JAILS S. F. MOTORIST

Ernest Martin, 24, of 1373 Waller street, San Francisco, was arrested early Monday by State Officers Frank Chevalier and Manfred Walzberg on a charge of driving while intoxicated after a 15-mile chase from South San Francisco to 27th and Dolores streets, San Francisco.

The officers found it necessary to strike Martin with a night stick in order to subdue him when he resisted arrest.

Martin and two companions, Frank Armstrong, 20, and Joe Bonzani, 20, both of 561 Commercial street, San Francisco, drove into the service station of Frank Chellini at South San Francisco and abused the attendant, John Locatelli. Locatelli summoned Chellini, who called the state officers.

Martin ran to his car, deserting his companions, whereupon the state officers and Constable James Wallace gave pursuit, finally overtaking the fleeing motorist in San Francisco after a chase that at times reached a 75-mile-an-hour speed.

Martin's companions, Armstrong and Bonzani, were booked for disturbing the peace. The motorist was taken before Justice Edward Farrell, who set his bail at $2,500 cash, which he did not raise.

LOBITOS CREEK IS MACKAY RADIO SITE

The Railroad Commission has received an application from Mackay Radio and Telegraph Company asking authority to pay $5,000 in cash and issue notes for $35,000 to purchase a 230-acre site at the mouth of Lobitos Creek where a receiving radio station is to be erected.

The company has tested various localities, particularly in the county of San Mateo, for the purpose of getting a suitable location, where the reception of radio messages is distinct, and finds that the mouth of Lobitos Creek is dependable and better than its present location at Daly City.

ABALONE DIVING BY JAPANESE IS HIT

An ordinance prohibiting the diving for abalones as practiced by Japanese fisherman on the coast-side was passed by the county board of supervisors last Monday.

The ordinance is designed to limit the commercial catch of the shell-fish so that the sport may be preserved for private fishermen.

BADEN FOES WILL SEEK ABATEMENT

Civil, Criminal Suits Pending Against Both, Report

Belmont will be drawn into the efforts to drive dog racing out of San Mateo county when both criminal and civil actions will be filed against the Baden Kennel Club of South San Francisco, Attorney Angelo Scampini of South San Francisco said today upon his return from Los Angeles.

This was the fiery north end lawyer's answe rto the $250,000 slander suit filed against him Tuesday.

"I welcome these suits," Scampini said. "They will give me a chance to prove a lot of things. The fight to abolish dog racing in San Mateo county has just begun. I am ready to go the whole way."

Scampini declared that he will file "plenty of answers to the slander suits within a few days.

"And I will bring both criminal and civil actions myself in pushing the fight," he said.

Conferred With Fitts

Scampini has just returned from a short visit in Los Angeles, where he said he conferred with Buron Fitts, district attorney of Los Angeles county, relative to the steps taken in indicting a large group of backers connected with the Culver City Kennel Club.

Attorney Norman Menifee of Redwood City has been asked to help Scampini in the litigation.

They were to have conferred with District Attorney Edmund Scott, but had not done so by early afternoon.

Menifee said they would call on the district attorney tomorrow.

County Action Sought

"We will ask the district attorney of San Mateo county to take action at once along lines that will assure a genuine test of the California gambling laws. We contend that these laws are being deliberately violated at the dog tracks," Scampini said.

It was rumored about today that Police Chief Louis Belloni of South San Francisco was considering the filing of slander suits against Scampini over statements he is alleged to have made about the police department.

Meanwhile, the Baden track went ahead with its plans to operate until at least December 1, paying its $25 per day in advance for that period. On October 20, Superior Judge Franklin Swart must pass on whether the track will remain open or is to be closed until a hearing is held in the abatement proceedings filed by Scampini for Antonio Molini against the South San Francisco track.

Just what action is to be taken against the Belmont track has not been revealed, but it was seen as possible that the same course would be pursued.

Scampini said indications in the south are that indictments pend-

Drainage Costs Will Be Lower Than Estimate

Lowered costs of material and eliminations of concrete in some instances and other efficiencies provided for by the county engineer will bring the estimated cost of the proposed Las Lomitas-Atherton drainage system to about $62,000, instead of the higher figure previously announced.

This was the statement today of Attorney Norman S. Menifee of Redwood City, who, with Attorney Wayne Millington, is handling the legal steps.

The cost of the project will be about $3 per acre per year for the 2,000 acres involved. Ten-year bonds will be issued to pay for the improvement, which is declared badly needed in the area which it will serve.

A public meeting on the project is tentatively set for the high school here on October 20. The board of supervisors will hold a hearing on the project on November 7 at 10 o'clock.

Sequoia Band Aids Dedication of School

The Times-Gazette in its story of the dedication of Mount Carmel parochial school building last Sunday failed to mention the important part played in the big parade by the uniformed band of Sequoia Union High School that led the procession, playing martial music enjoyed by the thousands who witnessed the pageant. Miss Alice Swift, the drum major, performed well, looking attractive and beautiful in her natty uniform.

THEY FOUGHT LINCOLN, TOO

Lincoln was nominated for re-election at what looked the very darkest moment of the Civil War. He did not himself expect to win. His opponents conducted the campaign on the slogan "the war is a failure." Now we know that, on the contrary, the war was on the verge of success. We know that the defeat of Lincoln would have been a calamity to both halves of the then disunited Nation. We know that his death was a tragedy to South as well as North, and delayed for a whole generation the process of reconciliation and reconstruction. We know that he did not make the war, and could not have ended it earlier. We know that his foresight in the beginning was less clear than our hindsight is now; that he was not responsible for its early lack of success and was more than any one man instrumental in its final victory. And we know that if he had been spared for the era of reconstruction its course would have been far less tragic.

We all know these things of Lincoln now. Half of his contemporaries did not know them then. We have rendered our tribute of eternal gratitude to the half that did know them, and saved us Lincoln.

We are at the crisis of an economic war no less serious than the military war of Lincoln's time.

Will history record a like verdict of enough more than half of us?—San Francisco Chronicle, October 11, 1932.

JUDGE BUCK'S FINE RECORD

If for no other reason, the people of San Mateo county should return Superior Judge George H. Buck to the bench as a tribute to one of California's most eminent jurists. Judge Buck has presided over his court for nearly a half century, and consistently during that time he has handled more cases and received fewer reverses at the hands of higher courts than any other jurist for a like period in the state. Judge Buck for years has worked early and late in the interests of San Mateo county and its citizens.

An outstanding example of the wisdom and mercy of his court decisions is his attitude on divorce cases. In no instance has he ever allowed the children of a family to be separated. Parents may separate, but that does not warrant their dividing up of brothers and sisters, causing them to grow up strangers to each other.

Judge Buck has also given a great deal of his time and energy to juvenile court matters, and his wise decisions have salvaged many useful citizens from the ranks of delinquent children.

Sound common sense and justice have characterized Judge Buck's court and have won him respect and honor throughout the state. Despite his age, he is as capable as ever and far keener than most men half his years. He should be re-elected, both for the good of San Mateo county and as a tribute to the man and his record.

RETAIN ARTHUR M. FREE

With the Congress of the United States facing its great task of reconstruction, it is vitally important to retain every seasoned, experienced legislator who has proven his worth and faithfully shouldered his share of the burden. Congressman Arthur M. Free is such a man. His record is an enviable one. He has fearlessly faced the problems of the grave economic crisis from which we are now slowly but surely emerging. Congressman Free has served six terms at Washington. He is a high ranking member of a number of very important committees. His services at the coming session of Congress are indispensable. The people of San Mateo county will make a wise choice if they vote solidly to retain him at the election on November 8.

SOUND RECOVERY PROGRAM

Commenting on the assured success of the San Francisco-Oakland bridge as a result of the Reconstruction Finance Corporation's decision to loan $62,000,000 of the necessary $70,000,000 for the job, the San Francisco Examiner picturesquely explams the importance of the project by stating: "The bridge may well be more than a travel lane between San Francisco and the East Bay; it may well be the span from these days of hardship to a new prosperity." That picture of the situation proceeds from the fact that the construction will mean jobs for 6000 men working directly on the job, and employment for 6000 others indirectly in the more distant centers of steel mills, cement plants and lumber camps.

In visualizing this great project—which will make jobs available in vast number from next January on through a period of perhaps four years—let us give due credit to President Hoover. The Reconstruction Finance Corporation is one item in the president's plan for economic recovery. And the bay bridge project is only one mammoth undertaking which is given assurance of an early start as a result of the R. F. C. underwriting plan. President Hoover thus has contributed heavily toward the new "span from these days of hardship to a new prosperity."

CHANCE FOR LOCAL CEMENT PLANT

During the construction of the two bay bridges, millions of barrels of cement will be used. Work on these enterprises is soon to start. The Portland Cement Company of this city is the largest institution of its kind on the Pacific coast. Its finished product comes from the clam shells on the bay shore. The cement manufactured from these shells is the very best in the country. There is no reason why the local concern should not secure the contracts to furnish this material.

The local chamber of commerce and all civic and political bodies should bend every effort to obtain this contract for the home institution. The awarding of these contracts locally would relieve the present unemployment situation, for the plant here, no doubt, would be kept at top speed for several years to supply the big demand and employ a thousand men or more.

By all means let every effort be made to obtain these big contracts for Redwood City.

NEW CHARTER IS BORN OF THEORY

The proposed new charter for San Mateo county may be an excellent document from the standpoint of theory, but a careful consideration of it leaves one doubting whether it would actually work out so well in practice. For one thing, there is too much centralization of power. It is well enough to invest a man with full authority, if every safeguard is taken to prevent his abusing it. The charter, in its present form, does not sufficiently safeguard the interests of the people of San Mateo county. It would be very easy for a political machine, behind the smoke screen of the charter, to gain complete sway over the county. The present government of the county, despite its many weaknesses, does not offer such an opportunity for one small selfish group to gain control.

TUBBS DESERVES SUPPORT

Tallant Tubs is the Republican nominee for United States Senator and every loyal party man should support Mr. Tubbs. The Republican party needs him to organize the Senate for, according to all accounts, it will be a close race between the two major parties to capture the upper house of Congress. It is vital to California that it send a Republican senator to Washington.

Mr. Tubbs is young and untried, but at least he has been frank and honest as a pioneer advocate of prohibition repeal. He has kept himself free of compromising alliances. He has shown a promising sympathy for labor and a willingness to take the liberal side of economic questions. His record and personality have made a strong appeal to Republican leaders.

Hoover Praised on Garner Plan Veto

That Speaker John N. Garner's attempted "pork barrel" grab, which was prevented through the courage of President Hoover, would have wrecked all efforts at reconstruction, unbalanced the budget, impaired the government's credit and indefinitely postponed all hope of early economic recovery, was the charge hurled today by Richard Barrett, Hoover-Curtis campaign manager for northern California.

"Garner's 'pork plans' would have cost the country hundreds of millions of dollars for unnecessary public buildings," says Barrett. "It is pretty definitely understood now that Speaker Garner's prohibitive demands were a rather obvious bit of strategy launched in the hope of winning votes at the expense of the taxpayers of the nation."

Redwood City 25 Years Ago

Protests against the issuing of any more liquor permits in Menlo Park accompanied the presentation of a petition to that effect to the board of supervisors at its meeting Monday.

Mr. and Mrs. Robert Brown returned Sunday from a five-month trip through England, Ireland and Scotland.

T. C. Rice has been awarded the contract to lay 76,430 feet of sidewalk in Wellesley Park. This is the largest sidewalk contract ever let in the county and one of the largest in the state.

Crossed wires resulted in a fire which did $70 damage to the home of Thomas Wilson on Stambaugh street Thursday night. The blaze was extinguished by the chemical engine.

Joseph S. Hunter of San Mateo appeared before the supervisors to ask his appointment as county entomologist to inspect nursery stock and effect mosquito control.

A. G. McDonald & Co., have started a contracting business in Redwood City.

Sunday afternoon the Redwood City Juniors will play the Mohawk baseball team of San Francisco.

A. Hess, low bidder, has been awarded the contract for grading and paving Roosevelt avenue at the rate of one cent per square foot for grading and $2.42 per cubic yard for macadamizing.

D. E. Young and Mrs. Josephine Bray were united in marriage here Saturday. Mr. Young is heavily interested in property in this section, having recently put North Fair Oaks on the market.

William Romes, who has been foreman butcher for T. P. Maloney for several years, left Monday to ru month's vacation in Michigan.

San Gregorio—Charles Dobbel, Palo Alto postmaster, and James Neuman, San Mateo county surveyor, spent Sunday at San Gregorio.

John Garcia was here from Hollister during the week buying up choice seed oats.

Mrs. Louisa Beck died Sunday at her home in this city at the age of 67. She was the widow of Fred Beck and sister of A. Neuman of Woodside.

Menlo Park.—Hoag & Lansdale contemplate erecting a large building on Johnson tract on the corner of Santa Cruz avenue and the county road. It is to be occupied by a bank and several stores.

Alviso Dog Track Work Is Held Up

ing against the 23 defendants in the Culver City case will bring convictions and will result in a death blow to dog racing in that section.

Alviso Work Halts

Work on the construction of the $100,000 dog racing plant at Alviso was halted by its promoters today, assertedly pending the settlement of the dog track situation in the bay region and in Southern California.

A small group of truck drivers engaged on the project, however, yesterday consulted with Deputy Labor Commissioner George Moody on filing wage claims against the track.

Directors of the corporation, the Alviso Greyhound Breeders' Association, wish to await the disposition of dog track suits elsewhere before proceeding further with the work, according to Arthur Grey, a track official. An abatement suit is now pending against the Baden track at South San Francisco, and officials of the Culver City track have been indicted.

"We would be foolish to proceed obstinately with the project in the face of public disapproval," said Grey. "We have simply halted work temporarily to see how these other tracks come out. If they lose out, we will probably turn the Alviso plant into something else."

In the meantime, E. W. Aust, secretary-manager of the Los Altos Chamber of Commerce, announced that the directors of that organization had joined with the Palo Alto Chamber of Commerce and other peninsula organizations in approving efforts to eliminate dog track activities on the peninsula.

Widow Seeks Letters In Perkins' Estate

Mrs. Ruby Perkins, 1226 Middlefield road, this city, widow of Bernard Perkins, San Mateo taxicab driver who was killed October 4 in a Burlingame accident, today applied for letters of administration in his estate. She and three sons are named as heirs to the estate, which will not exceed $10,000.

Training Meet For Boy Scout Leaders Oct. 21

Seven Redwood City district scoutmasters are joining with scoutmasters and committeemen of San Mateo county in a training conference starting Friday evening, October 21, at 8 o'clock for six consecutive Friday evenings. The sessions will be held in the guild hall of St. Paul's Episcopal church, Burlingame.

Purpose of the conference sessions is to provide training and instruction for those who wish to qualify as scoutmasters and assistants, states E. A. Barrer, county scout executive.

Topics for the six meetings are objectives and program, patrol unit, running the troop, making scouting successful, first class scout, and opportunity to produce men of character trained for citizenship.

Dean Charles S. Morris of San Mateo Junior College and Harold Stein, assistant San Francisco scout executive are among the speakers for the course.

Set-Back Lines Are Adopted on Airbase Highway

SAN JOSE, Oct. 12.—Establishing official and definite set-back and plan lines for Matilda avenue from Sunnyvale to the naval air station, an ordinance has been adopted by the Santa Clara county board of supervisors.

The ordinance, which becomes effective in 30 days, was adopted without opposition from property owners along the thoroughfare and on recommendation of the county planning commission.

According to Hugh Pomeroy, secretary-advisor of the commission, this county is the first in the state to adopt an ordinance providing definitely the distance structures and other improvements must be made from a road. The set-back plan will allow ample space on both sides of the road for future widening.

Seaver Gets Top Ranking In Card Golf

Marked by low scores in both the varsity and freshman qualifying rounds Stanford's golf teams were selected by Eddie Twiggs today with the completion of trial rounds last Saturday.

Charley Seaver, Harry Eichelberger, Lawson Little and Stuart Hawley were seeded as the result of wins in the national amateur sectional tryouts held during the summer. Seaver and Eichelberger won qualifying places in the Los Angeles tests while Little and Hawley won in San Francisco and Denver, respectively.

Seaver was named number one player on the varsity first string by Coach Twiggs with Eichelberger, Little and Hawley ranking next in that order. Gene Brown topped the qualifying field with a total score of 158. Jack Hoerner, Tom Dwyer and Bill Hoelle finished in a tie for second with cards of 159.

Stewart Pelt and Ernie McCormick ended in a tie for fourth place with 162's while Ed Beuter and Bill Dwyer took fifth and sixth place with 163 and 164 respectively.

The above 12 men were named by Twiggs on the first string while eight others will compete in ladder rounds to determine the golf squad next winter. Jerry Trautman, Dick Giddings, S. Shephard, Jack Geer, Harold Scheeline, Sandy Thompson, Doug Allen and Bud Dobos were placed on the varsity squad.

George Kuklinski topped the freshman qualifiers and was named number one man on the yearling squad with the following ranking next in order: Don Edwards, Boo Thompson, H. Littlefield, J. Welch, R. McLashan, R. Nicholas, Jack Edmundson, Bud Sophion, M. Mosher, J. Richardson, M. Freeman, R. Hornby, S. Anderson, L. Freer and L. Munro.

CARDS FACE ARMY, POINT FOR U. S. C.

Over its steepest preliminary hurdle with a 14 to 0 victory over Santa Clara Saturday, Coach Pop Warner's Stanford football team today began laying the foundations for its campaign against Southern California at Palo Alto a week from Saturday, with a "breather" game against the West Coast Army scheduled this week.

Whether Stanford's comparatively easy victory over the Broncos was due to the fact that Clipper Smith's team was tired in the first place and had its spirit broken when the Cards scored on the fourth play of the game, or whether Stanford is superior anyway, it remains that reports from the southland have installed the Cards as favorites over Troy at this time.

Greater power, strong tackling, and line charging against the Broncos, plus the probable return by Wednesday of Ernie Caddell, Gordon Campbell and Herc LaBorde from the Card hospital list are reasons for the respect given Stanford.

Also Southern California's 10 to 0 win over Oregon State does not stack up well alongside of Stanford's 27-0 score on the same team and indicates the old Trojan power is diminished.

Menlo Park

Beginning Friday evening and continuing for eight days Sukkoth or the Feast of Tabernacles will be celebrated by Jewry. It follows close upon the New York and the Day of Atonement, but Sukkoth presents a striking contrast to the deep solemnity of these Holy Days for it is primarily a time of joy. Sukkoth commemorates the successful forty-year journey of the Israelites through the wilderness after the exodus from Egypt and is reminiscent of the fact that the Israelites dwelt in tabernacles during the entire time. Sukkoth likewise has an agricultural significance for it was the harvest festival celebrated by the Jews of long ago in Palestine.

Mrs. May Casey Jackson, a society matron of San Francisco, gave a luncheon this week at her pretty home at 44 Second avenue and Lake street, to former residents of Menlo Park now living in San Francisco. Twelve old timers, schoolmates of the charming hostess, enjoyed the happy occasion. Old time pictures of Menlo Park were exhibited to the delight of those present. It was indeed a happy event that brought back memories of other days. Mrs. Jackson was formerly Miss May Casey, the belle of Menlo Park, some few years ago.

Congregation Beth Jacob of Palo Alto and Menlo Park will conduct Sukkoth services at Guild Hall, Laurel street between Oak Grove and Ravenswood avenue in Menlo Park this evening at 8 o'clock. Kenneth Carlton Zwerin will occupy the pulpit and explain the symbols which are brought to the House of Worship. These symbols are the Palestinian citron, the palm with willow and myrtle. The topic of Mr. Zwerin's sermon is "Four in One." A social hour will follow the services.

Joseph McCann, nephew of Mrs. J. Doyle of this city and widely known here, and for some time a member of the San Francisco Police Department, has been detailed for duty in Mayor Rossi's office, a position much sought after by members of the force. The young man will be the executive's body guard. Sergeant McCann, who has an enviable record in the department, is a brother of the mayor's protector.

This is fire prevention week in Menlo Park. Chief Cuff is giving drills in the schools and inspecting homes for fire hazards. His work is highly commended. Thomas Lark, head of the fire prevention commission in San Francisco, will give a talk this evening in the grammar school auditorium on "Fire Prevention." All should hear him.

Mr. and Mrs. Kenneth Walsh have leased their Burlingame home to Mr. and Mrs. Wetmore Hodges of Boston and will pass the winter in Menlo Park, where they have taken a house. Mr. and Mrs. Hodges have just arrived in California after a summer at a "dude ranch" in Montana.

A card party for the benefit of the Homeless Children Fund will be given by the native sons and daughters of Menlo Park in the auditorium of the grammar school on Wednesday evening, October 26. The event was to have taken place on October 27 but the parlors changed the date to the 26. Many valuable prizes are to be awarded.

On Sunday next the tournament for the Bocci games at the Family club grounds will end with festivities. The winner will be given a silver loving cup, presented by George H. Chiossi, the popular political leader of San Mateo. Many friends of the club throughout the county will witness the exciting wind up of the tournament. A barbecue is to follow the big event that has held the membership of the club in anticipation for the past weeks.

Father Turcotte, a Dominican priest of Montreal, Canada, is at Corpus Christi Monastery giving a retreat to the sisters. He has been here for the past two weeks and will leave today for his northern home. Father Turcotte was much impressed with Menlo Park and environment.

Mr. and Mrs. H. D. Parent, who have been residents of Palo Alto for the past seven years, will return to the city to live in order that Mr. Parent may be close to his large contracting business. Mrs. Parent was formerly Miss Emma Kugeler and was born in Menlo Park and grew to womanhood here.

Mrs. Leon F. Douglass and her daughters, Misses Ena and Florence have recently returned to their Atherton home after an extended stay in Honolulu. Miss Ena is attending the University of California while Miss Florence will pursue her studies at Castelleja.

DIVORCE COLONY ENDS TROUT SEASON

Residents at Pyramid Lake, where many divorce seekers live while awaiting their Nevada decrees, brought their trout season to an end with Howard McKissick of Reno declared the champion fisherman of the colony. J. A. Marshall, right, is shown presenting a cup to McKissick while two Follies girls, Marie Leder and Miss LaSalle, look on. The young women are awaiting divorces.

Woodside

Mrs. Daniel C. Jackling, who recently returned from a motor trip into the Arizona desert, was hostess last week at a luncheon at her home here. Her guests were, Mrs. Charles McCormick, Mrs. Latham McMullin, Mrs. Augustus Taylor, Mrs. Stewart Lowery, Mrs. Laurance Scott, Mrs. George Lent, Mrs. Frederic McNear, and Miss Jennie Hooker.

Mr. and Mrs. William P. Roth and family returned to their home in San Francisco last week. They will continue to visit their place over week-ends as long as the weather permits.

Mrs. D. B. Ralston has been in San Jose for several days with her mother who has been very ill following an operation.

Mr. Rufus Rogers and family moved last week to Belmont.

Alexander Kerr and family moved this week to Alameda. Mr. Kerr had been for several years the superintendent of the Mortimer Fleishhacker place.

A large group of Woodside Girl Scouts and their younger sisters, the Brownies, met at the home of Mrs. Wells Pleas on Wednesday afternoon. After a period of scout work and games, they refreshed themselves with roasted weenies.

Mrs. Daniel C. Jackling, president of the Girls' Recreation and Home Club, has charge of the annual rummage sale that will take place at Larkin Hall in San Francisco on October 26. This sale is always an event in San Francisco exciting a like enthusiasm in those who donate and in those who purchase. Other Woodside residents who have a part in the sale as committee members are, Mrs. Selah Chamberlain, Miss Marjorie Josselyn, Mrs. H. C. Moffitt, and Mrs. Lawrence Harris.

Robert Hughes and Oliver Gish who have been for three months in northern Trinity county hunting, fishing and prospecting, are expected home next week.

Mr. and Mrs. Jack Shapiro, returning from a trip to Honolulu, will arrive home on Saturday.

Mrs. Henry Holmes entertained twenty of her friends from San Francisco at luncheon and bridge at her home here last week.

William S. Jackson, convalescing in a San Francisco hospital, was permitted a visit of two days with his family in Woodside this week.

Rupert Bradley, who has spent the entire summer at Lake Tahoe, will return to his home here next week.

Mrs. Joseph Giampietro and her daughters, Ruby and June, are spending several days in San Francisco, visiting with relatives there.

John Duzanica is at his cabin at Fallen Leaf Lake for a week's stay.

COURT BACKS BUCK VERDICT

The Appellate Court has rendered a decision in the case of J. H. Sullivan against Frank Vera and Peter Prestinari confirming the judgment of Judge Buck in a decision given some months ago.

The remittitur from the Appellate Court was received at the county clerk's office on Monday.

The action was brought by Sullivan against Vera to foreclose a chattel mortgage amounting to the sum of $6,500. Prestinari, a Vera creditor, intervened in the suit, alleging fraud on the part of Vera. Judge Buck decided in favor of Sullivan. The intervener at once appealed the case, naming Sullivan as defendant and Vera as respondent. The higher court in sustaining the decision of the lower tribunal, disposes of the suit.

Edmund Scott appeared as the attorney for Sullivan. The property involved is located at East Palo Alto.

Bank of America's Deposits Show Gain

An increase in the combined deposits of the Bank of America in excess of $6,500,000 since June and of $58,100,000 since March, are noted in the call statement of that institution as of September 30. The September 30 report shows total deposits of $716,418,000 as against $709,839,000 in June. There has been an increase of $982,000 in loans and discounts, this item standing on the books as of September 30 at $511,689,000. Total resources, have increased $1,662,000 and are shown as $907,036,000.

Speed Kings Race Sunday at San Jose

SAN JOSE, Oct. 4.—The Gilmore racing team, composed of Lester Spangler, Kelly Petillo, Sam Palmer and "Babe" Stapp, has been entered in the 100-lap classic scheduled on the San Jose speedway Sunday afternoon, October 16. Stapp, Spangler and Petillo finished in the order mentioned here on September 25. "There are no four finer speed kins on the Pacific coast than this quartet," declared Linn Mathewson, manager of the San Jose speedway, in discussing their entries today. "Each has a string of victories attached to his record that makes the average racing driver envious."

Lutheran Women Plan Food Sale

The Ladies Aid Society of Redeemer Lutheran Church will hold a food and fancy work sale Saturday beginning at 10 o'clock in the vacant store next to the Safeway store on Broadway.

On the committee supervising arrangements are Mrs. J. Juday, Mrs. J. E. Marozik, Mrs. Paul Lowe, Mrs. Wesley Nelson, Mrs. James Hansen, and Mrs. George Paul.

Benefit Show To Be Given In San Carlos

SAN CARLOS, Oct. 12. — A vaudeville show will be given at the civic auditorium on Saturday evening, October 22, for the benefit of St. Charles' Church. The Rev. Father Harold L. Crampton is pastor of the church. Among some of the participants will be the Peggy O'Neil dancers, and a group of performers from the Mike Lawley Company from San Francisco. A number of stunts will be given by local entertainers.

The curtain will rise promptly at 8:30. Admission for adults is 50 cents, children 25 cents.

Louis Roberto's orchestra of San Francisco will furnish dance music at the conclusion of the vaudeville show.

Mrs. John E. Mansbarger, accompanied by the Rev. and Mrs. C. H. Gatchell returned Friday after spending the past week in Stockton at the Northern California Baptist convention.

Mrs. Olga Attl, harpist, wife of Vojmir Attl, noted harpist of San Francisco and New York, was a dinner guest on Sunday at the home of Miss Virginia Klassen of Hacienda Court Apartments. Miss Klassen is also a harpist.

Six of the San Carlos Girl Scouts have passed their second class tests, according to Mrs. John E. Mansbarger, their leader. Ten more girls will pass the requirements on Friday. At the completion of the tests, the girls who have successfully passed will be taken on an over-night trip.

Among some of the requirements are signaling, hospital bed-making, first aid, health and nature tests.

Mrs. H. A. Lyddane of White Oaks, who has been in the Children's Hospital in San Francisco where she submitted to an operation several weeks ago, has recovered.

Kin of Redwood Women Bride At S. F. Wedding

One of the recent lovely weddings was that of Miss Gladys Lucille Kohler, formerly of San Mateo, who became the bride of Mr. Guiseppe Boue of Kentfield, Marin county, at an impressive ceremony performed by Judge Stiegar at the Palace Hotel, San Francisco.

An impromptu altar and beautiful decorations of ferns and flowers transformed the room in which the ceremony took place. The bridal dinner was served in the dining room, and an informal reception was held at 8 p. m. when the many relatives and friends congratulated the young couple.

Miss Kohler, after the death of her parents, became the ward of Mr. and Mrs. Harry Hatch of San Mateo. With them she toured Europe for nearly a year, and has also made an extensive visit in New York. She is an accomplished musician. The bride is a niece of Mrs. Henry Gardner Cobb and Mrs. Isabel C. Kohler Hotchkiss of Wellesley Park, Redwood City. Mr. Boue is in business in San Francisco. The young couple plan a honeymoon tour in Italy and will make their home at Kentfield.

Committee Named on Card Party Plans

A committee has been named to assist Mrs. Robert Hammond, chairman of the bridge section of the Redwood City Woman's Club, in conducting the Thursday afternoon card parties which are to be a semi-monthly feature of the club's calendar of social activities this winter. The club members who will serve are Mrs. G. Chevassus, Mrs. Ralph D. Howe, Mrs. Lee Fuller, Mrs. James Davis, Mrs. Milton H. Clarkson, Mrs. Florence Andrews, Mrs. E. H. Rogers, and Mrs. John Heckendorn.

Tomorrow afternoon at 2 o'clock, Mrs. Hammond and members of her committee will be in charge of the party. Tables are to be arranged for whist as well as contract and auction players.

Tickets of admission are 25 cents which includes one's choice of cards and tea.

Young People to Meet Friday Night

A combined business and social meeting of the Young People's Society of Redeemer Lutheran Church will be held in the church parlors Friday evening at 8 o'clock. Eldon Tank, president, will be in charge of the meeting. For the social hour, Miss Olga Wagner and Miss Doris Waite will be in charge of refreshments.

Bonita Parlor Prepares for President's Visit

Members of Bonita parlor, Native Daughters of the Golden West, are preparing for the only official visit to be paid them this year by the president of the grand parlor, Mrs. Anna Mixon Armstrong of Woodland. Mrs. Armstrong will be present at the meeting of the parlor tomorrow night in Odd Fellows' Hall at 8 o'clock.

Redwood Man's Kin In Geneva Address

James Hearne, prominent Redwood City merchant and a member of the San Mateo Council, Knights of Columbus, belongs to a distinguished Irish family. His brother, the Honorable John J. Hearne, an eminent barrister who has been closely associated with President De Valera for many years, recently delivered a scholarly lecture to the Geneva Institute of International Relations. Hearne is an Irish delegate to the League and the Disarmament Conference.

"Nice and warm in here!"
"Yes, but we never had real comfort until Gas Heating was installed"
Natural Gas will maintain this Comfort Zone at low cost
Can you say this about your home?

No wonder guests envy the owner of a house that is always kept to Comfort Zone warmth by Controlled Natural Gas heat. But unless they too have Natural Gas heating equipment, they only know half of the story. The other wonderful half of Comfort Zone gas heat is that part which saves countless steps to the basement, that permits quick, instantaneous heat without the need of building a big fire, that delivers clean heat in abundance and because it brings in no dirt will not smudge the drapes and furnishings.

Perhaps you are one of the thousands who have made up their minds to enjoy this flexible, convenient, and carefree method of house heating. Then you should install Controlled Heating with Natural Gas and stop worrying.

It makes no difference whether your house is large or small, there is efficient Natural Gas Heating equipment to meet every requirement. See your heating dealer or visit the local office of the P. G. and E. and select the type of heating equipment best suited to your needs.

CONTROLLED HEAT

With gas fuel you can have maximum heat instantly available and keep it regulated to any temperature desired. Controlled heat from gas heating equipment is possible by merely turning a valve or handle, by pressing a button to get high, low or medium heat, or by setting an electric thermostat to automatically maintain any desired temperature.

Sportsmen in Scout Cruise On Upper Bay

A scheduled bass fishing expedition for members of the Redwood City Sportsmen's Club turned into just an enjoyable cruise to Paradise cove in the Sea Scout motorsailer Challenger Sunday when it was discovered that the bass were not running off Point San Quentin.

Manned by a Sea Scout crew under Skipper John W. Rhoda, the Challenger left the yacht harbor early yesterday and cruised around the upper bay after futile attempts to bring home bass promised for Monday suppers.

In the party were H. C. King, Perry Downs, George Downs, Bob Downs, Hamilton Day, Otto Maehl, George Zehender Jr., George Kniveton, George North, J. C. Clark, Kenneth Mills, Floyd Granger, Art Mills, Al Pierce, A. Philipi, K. Gustaffsen, J. W. Rhoda, Jim Rhoda, Ralph Rhoda, Jim Hanlon, August Thorne and Fred Thorne.

Dogs are allowed to roam free and rats are chained up in French Indo-China. There the women wear trousers and men skirts; children are given numbers instead of names.

Panama recently had a strike of tenants.

NOTICE
BEFORE THE HONORABLE BOARD OF SUPERVISORS OF THE COUNTY OF SAN MATEO, STATE OF CALIFORNIA.

In the Matter of the Establishment of the Atherton-Las Lomitas Drainage District. No. 1.

To the Honorable, the Board of Supervisors of the County of San Mateo, State of California:

We, the undersigned, being the owners of a majority of the land situated within a district proposed to be organized under the Drainage District Improvement Act, Statutes of 1919, page 31, and/or being more than twenty (20) of such owners, hereby petition your Honorable board to establish a ditch or drain or system of ditches or drains for the draining of the body of land described in this petion. The district during certain seasons of the year contains numerous areas of wet swamp or overflowed lands susceptible of drainage by ditches or systems of ditches and which district will be benefitted as to its health, sanitation and welfare by the construction of the improvements hereinafter set forth.

The boundary of the district proposed to be benefitted and the boundary of such bodies of lands proposed to be drained are as described on a land description attached hereto and designated upon a map of said district attached hereto.

The approximate location of the proposed ditches or drains or system of ditches or drains is as described upon a map of said district hereto attached.

Special reference to said descriptions and to the said map and all details thereon is hereby made a part of this petition and specifically incorporated herein and forms a part hereof. The total number of acres of land proposed to be included in said district is 2000 acres.

Hereto attached and made a part hereof is a bond in the sum fixed by your Honorable board, payable to the County of San Mateo, State of California, for the payment of all costs that may accrue provided that this petition shall not be granted.

A portion of the ditches or drains or system of ditches or drains for the drainage of the wet, swampy or overflowed lands described upon the map of the district attached hereto, will cross or run along the boundary line of the City of Atherton. The portion of said City of Atherton included within these boundaries will be benefited by the contemplated work or improvement.

WHEREFORE, your petitioners pray that your Honorable board set a day for the hearing of this petition within thirty (30) days after the filing hereof, which day shall be not less than fifteen (15) nor more than forty (40) days after the date of said appointment; that this board cause to be published in a newspaper of general circulation published in said county, a copy of said petition, together with the notice by the Clerk of your Honorable board of the time and place set for hearing of said petition; said publication to be at least once a week in a daily or weekly newspaper and for at least two weeks immediately preceeding the time set for said hearing.

Battery Trial at San Carlos Ended

SAN CARLOS, Oct. 5—The battery and assault case involving Joseph Loughran, "Y" gas service station operator, and Norman Harris, which came up for hearing in City Judge Carl Philip's court yesterday, was dismissed.

Harris brought the charges against Loughran, alleging that Loughran struck him severe blows in the stomach as he was endeavoring to polish the car of D. M. Williamson, his employer. Williamson operates the "Y" Eat Shop adjoining the gas station of Loughran.

Seventeen Prospective Sites For New Postoffice Building In Redwood City Submitted

Seventeen prospective sites for the new United States postoffice building in Redwood City were submitted to the supervising architect of the treasury department in Washington, D. C., this week.

Bids ranged from $9,500 for a parcel of property at Jefferson, Bradford and Fuller streets, to $45,000 for the northwest corner at Broadway and Chestnut street.

A corner at Broadway and Main street, on the Broadway extension, was offered the government for $40,000, and a corner at Main and Middlefield road was priced at $23,000. A site across from the city hall was offered at $30,000.

All the sites, except one, were east of the Southern Pacific tracks. The one Upper Broadway site was that in the rear of the San Mateo County Bank facing Montgomery and California streets. This was priced at $20,000.

Postmaster Carl Mabie was informed some time ago that the government prefers a corner lot containing approximately 29,000 square feet, with a dimension of 160 linear feet on the more important of the two street frontages.

It is specified that the site, which is chiefly for postoffice purposes, must be centrally and conveniently located. The government has approximately $115,000 for the site and building.

Sites offered were as follows:

(1) Walter Realty Company—300 by 100 feet at corner of Jefferson, Bradford and Fuller, $9,500.

(2) Walter Realty Company—Walnut, Maple and Stambaugh, $15,000.

(3) Walter Realty Company—South corner of Main and Middlefield road, 239 feet by 90 feet, $23,000.

(4) Walter Realty Company—Jefferson and Middlefield road, (across from city hall), 122 by 233 feet, $30,000.

(5) Charles G. Lambert—230 by 150 feet, northeast corner of Broadway and Main street, $40,000.

(6) Same minus northeast 30 feet, $32,500.

(7) Same minus lot 20, $22,500.

(8) Mary Fitzpatrick—irregular tract, Marshall, Arguello and Broadway, $26,500.

(9) Victor Michel—154 by 200 feet, northwest corner of Main and Chestnut, $45,000.

(10) John W. Poole—173.12 feet on east side of Jefferson avenue between Broadway and Middlefield road, $25,000.

(11) Daniel P. Flynn et al—150 feet on east side of Jefferson next to Broadway, $25,000.

(12) Mary Fitzpatrick and Charlotte Heise—lots 6, 7 and 8, range B, Block 5, and part of lot 5, corner Marshall and Winslow, $30,000.

(13) Julius Smith, 86.72 feet frontage on east side of California street, between Broadway and Montgomery street, $20,000.

(14) Henry Witte—100 by 300 feet at northeast corner of Marshall and Middlefield, $24,500.

(15) Daniel R. Stafford, 200 by 200, Brewster, Warren, Fuller and Arguello, $25,000.

(16) Daniel R. Stafford—property bounded by Allerton, Fuller, Winslow and Bradford, $10,000.

(17) Daniel R. Stafford—Westerly 60 feet of lots 7, 8 and 9, and 25-foot frontage, lot 9 block 4, range A, on Broadway between Winslow and Hamilton, $27,000.

Belated proposals may still be submitted for consideration, the treasury department reports. Proposed sites will be inspected here shortly by an agent of the department.

Burglars Fail In Safe 'Job,' But Dine, Anyhow

SAN MATEO, Oct. 14.—After carefully preparing a simple meal, and doing $100 damage in an attempt to break into the vault at the San Mateo High School, two more burglars went their way.

Three or four empty milk bottles and the crumbs of a loaf of bread and a few shreds of cold meat were left behind in the school's cafeteria in the basement.

The burglars stole two dozen eggs and several blankets before departing.

The prowlers broke into the basement of the school and broke pane after pane of glass in the doors until they reached the inner office of Principal Francis J. McConville. They dug two large holes into the walls on either side of the safe in an attempt to get through its side. They also smashed the combination with a hammer, and tried to pry it off.

Failing, they are then believed to have gone to the basement and to have prepared the meal of sandwiches and milk.

ARE YOU TALENTED? HERE'S YOUR CHANCE

The local audition for singers wishing to participate in the 1932 Atwater Kent audition will be held tonight in the Burlingame Women's club at 7:30 o'clock. Each contestant will be allowed to sing one song of his own choice and must supply his own accompaniment.

Applications may be obtained at the offices of the San Mateo or Burlingame Chamber of Commerce and at Wollmer's music store, and must be in the hands of Frederich Roehr before this evening. One young man and one young woman will be selected by the judges to represent this county in the state audition to be held at an early date.

"The aim of this audition," said Roehr, "is to discover America's most promising young voices and to provide these with opportunities for recognition, advancement and reward. The one qualification necessary for entrance in the contest, aside from age limitation and amateur status, is a promising voice. All local singers are urged to enter the local audition, for it will prove a stepping stone for a musical career for the winners."

SEQUOIA, BURLINGAME OPEN P. A. L. TODAY

The Sequoia high varsity football squad officially opens the Peninsula Athletic League with a game with the Burlingame Panthers, today, October 14, at the Burlingame field.

Both teams have done well with practice games, and they are evenly matched for this contest. Burlingame and Sequoia have been pointing for each other this year, as the game last year was an upset. They both are co-champions of the P. A. L. and want to be on top alone this year.

The rooting sections will be full, the bands will be on parade and everybody set for a good game.

MUCH GOV'T BUILDING

WASHINGTON, Oct. 11 (AP)—Already 239 buildings costing $89,391,219 have been erected by the federal government in a public buildings program which eventually will cost $700,000,000.

In a summation today, the treasury reported that stage reached September 30. There is available for the work $496,463,942 authorized by congress in addition to the $100,000,000 allowed by the relief act. The treasury is opening bids for sites for the latter.

In the original program beside the buildings completed, the treasury has under contract 390 projects which will cost $311,472,923 and has purchased sites for buildings in the District of Columbia costing $28,047,504.

Further, 121 projects are either on the market, the bids for construction have been received or the specifications are being drawn. These projects when completed will cost $38,340,300.

"CAPTAIN APPLEJACK" EARNS LARGE PROFIT

One hundred and twenty-five dollars were taken in from the sale of tickets for "Captain Applejack" presented at Sequoia Union high school, Saturday evening, October 7.

Claude van Patten, drama instructor, states that the receipts are sufficient to pay all expenses and leave a profit, which fact insures the permanency of the new admission prices of only 25 cents at evening performances and 15 cents for matinees.

Although no definite drama has been selected, the play production class has set December 2 as the date of their next three-act play.

Shoe and leather manufacture ranks fourth in importance among all Belgian industries.
